ROAD REPAIRS/UPGRADES:

Jeff reviewed Hall's initial quote to install 18" header curbs, patch asphalt, stripe the stops, replace the broken ADA panel, and add eight boulders all in the areas of the five way intersection, and add two 6'x5'x4" concrete pads in Kingsley Green Park. He will continue working with them to get a breakdown of the costs for each activity. Becky presented a new supplier to consider for road sealing.

KLC INVESTMENT MEETING:

Becky will schedule a special Commissioners' meeting to discuss the questions we have for any investments we may make through KLC.

WEBSITE ERRORS:

It was identified that the links between the phone numbers identified on our website and the actual number called need to be updated. The phone numbers for the Treasurer and

Commissioner were updated last fall, but the links were not, so anyone clicking on Lesa's phone number will call Tom. Marilyn will work with GEEK to get the links set up correctly.
