He asked other commissioners to let him know if they have any ideas. George will check with John Barrow to see if Strathmoor Village has something similar already planned.

Jeff – All the road/curbing construction has been completed and the online application was filed for a \$1500 liability grant from the Kentucky League of Cities for the sidewalk work completed by PPC during July 2022.

Aliki – The Halloween Parade is October 29<sup>th</sup> at 6PM. She will ask neighbors via Next Door to come to the park and bring chairs and prepare to give out candy to the participants. This is a slight change from past years where only one person handed out the candy at the end of the parade.

Tom – All signs have been finished and will be installed in the next couple of weeks.
