PICNIC RESULTS:

Andy reported he is receiving the final invoices for picnic vendors and is working on ideas for improving next year's picnic. One area he is considering is the partnership Kingsley will share with other cities for this event.

HALLOWEEN EVENT:

Andy will let Marilyn know what event he is planning for October 26th and she will send out a postcard to residents mid October.

ROADS AND CURBING STATUS:

Ron reported the road re-sealing has happened. There is one area by the Speedway that still needs to be done and Ron will work with the contractor on scheduling. The contractor also recommended repainting the stripes every two years, and the best time to do this is July-August.

He also reported he has received two quotes for sidewalk replacements. There are 13 squares that need to be redone. Andy made a motion to allow Ron to contract with spend up to \$5500 on replacement of 13 sidewalk squares.

He received three quotes for curbing at Montrose/Sydney intersection and Gladstone/Sydney intersection. Les made a motion to allow Ron to contract with Spencer Concrete at a cost of \$7000. Sixty feet will be applied at Montrose/Sydney and 20 feet will be applied at Gladstone/Sydney. Andy seconded and the motion was passed.

PCC quoted grinding sidewalk squares with higher than 1/2 inch misalignment that included squares on Taylorsville Rd. He will ask PCC to break out the cost to grind the Taylorsville Rd. squares. Les made a motion to allow Ron to spend up to \$9675 with PCC to grind all squares identified. Andy seconded and the motion was passed.

COMMISSIONER'S COMMENTS

Jamie—Not present

Ron—He suggested requesting a corridor study through Ben Reno-Weber to evaluate options for Taylorsville Rd improvements.

Andy—He is working on ideas for Christmas and plans to put up Santa's mailbox again.

Les—No issues

MAYOR'S COMMENTS:

He reported TARC has been having financial difficulties and will likely reduce routes. They are developing a plan called TARC 2025 to meet the needs of the community within their funding.

2364 Gladstone has been sold and the new owner is renovating it for sale.

He is looking at the Rental Registration Ordinance and is planning on presenting a draft ordinance to modify it.

He mentioned that Metro Louisville is in the process of developing a plan to provide more affordable housing called "Middle Housing". This would be part of the ongoing LDC Reform '2040'.

Andy made a motion to spend up to \$500 to cut the tree stump at 2649 Kings Hwy out of the way of the sidewalk easement area. Ron seconded and the motion was passed. Tom will contact the residents to let them know we will be straightening the sidewalk.

CLOSING:

Ron made a motion to adjourn the meeting. Les seconded and the meeting was adjourned at 8:15 PM.

Respectfully submitted
